**Comcast objects to this question on the grounds that the rates it, or its principals, charge subscribers in communities elsewhere for cable service are not relevant under 47 U.S.C. 546. In addition, Comcast objects to this question (including the definition of principal) on the grounds that it is overly broad and not relevant under 47 U.S.C. 546. Without waiving the foregoing objections, please see the following tables responding to this question. Comcast has provided the requested information, for the Applicant, Comcast of Virginia, Inc.**
